Dear Ms. Fossee:

Re: *Medical Provider: (Provider numbers
used by Greater Lansing Visiting Nurse Association
HCF No. 2007-03-1378*

Thank you for sending the account reconciliation by Visiting Nurse Services of Michigan, successor to Greater Lansing Visiting Nurse Association, and check in the amount of \$42,282.55. I have had the opportunity to review the matter with auditors and administrators in the Program Investigations Section of the Michigan Department of Public Health, and we are satisfied that the reconciliation reasonably reflects and calculates the billing errors associated with the identified patients for the period 2002 through 2006 for Greater Lansing Visiting Nurse Association, provider ID

We appreciate your thorough response to our investigative demand for documents and careful review of the unusually complicated payment records to determine the amount of overpayment. The check has been forwarded to the MDCH accounting division for deposit.

Should you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Valentine".
